Models covered: YZF-R6, 600cc. 2003 to 2005.

Each Haynes manual provides specific and detailed instructions for performing everything from basic maintenance and troubleshooting to a complete overhaul of the machine, in this case the Yamaha YZF-R6, model years 2003 through 2005. Do-it-yourselfers will find this service and repair manual more comprehensive than the factory manual, making it an indispensable part of their tool box. A typical Haynes manual covers: general information; troubleshooting; lubrication and routine maintenance; engine top end; engine lower end; primary drive, clutch and external shift mechanism; transmission and internal shift mechanism; engine management system; electrical system; wheels, tires and drivebelt; front suspension and steering; rear suspension; brakes; body, and color wiring diagrams. An index makes the manual easy to navigate.

Yamaha YZF-R6 1994-2004

Yamaha YZF-R1 1998-2003

With a Haynes manual, you can do-it-yourself...from simple maintenance to basic repairs. Speaking at a 1913 National Geographic Society gala, Hiram Bingham III, the American explorer celebrated for finding the "lost city" of the Andes two years earlier, suggested that Machu Picchu "is an awful name, but it is well worth remembering." Millions of travelers have since followed Bingham's advice. When Bingham first encountered Machu Picchu, the site was an obscure ruin. Now designated a UNESCO World Heritage Site, Machu Picchu is the focus of Peru's tourism economy. Mark Rice's history of Machu Picchu in the twentieth century—from its "discovery" to today's travel boom—reveals how Machu Picchu was transformed into both a global travel destination and a powerful symbol of the Peruvian nation. Rice shows how the growth of tourism at Machu Picchu swayed Peruvian leaders to celebrate Andean culture as compatible with their vision of a modernizing nation. Encompassing debates about nationalism, Indigenous peoples' experiences, and cultural policy—as well as development and globalization—the book explores the contradictions and ironies of Machu Picchu's transformation. On a broader level, it calls attention to the importance of tourism in the creation of national identity in Peru and Latin America as a whole.
