all topics. It is organized in 26 chapters, in order to be compatible with the bibliography of origin. It is configured under the ISD method, used in the Air Force of many states (i.e. USAF). As such, it serves for studying and better understanding, instead of assessing. In an ISD questionnaire: ? There are no statements about equally True or False. ? It is usually very easy to identify the True answer. Remember that the question serves as an excuse to provide an information, not for assessing knowledge. ? The False answers serve to increase the contrast between True and False, and not to confuse the trainee and increase the level of difficulty. ? Whenever there is a choice of True or False, the answer is always the True. This is to prevent for a False information to be adopted. ? Whenever is asked to “Mark the True statements”, expect almost all statements to be valid. This serves as an excuse to provide information, not for assessing knowledge. Note that due to the bibliography of origin, some company limitations or procedures may be incorporated in the questionnaire.
