A Grace Paley Reader Stories

Grace Paley's luminous, funny, streetwise, heartbreaking stories are powered by the voices of their narrators and occasional interlocutors. They read as if someone had set a recorder running in a room where a woman was talking-- maybe to a friend drinking coffee in her kitchen or to someone on the phone-- except at a certain point you realize that the what you are eavesdropping on is actually ...

A Grace Paley Reader: Stories, Essays, and Poetry: Amazon ...

Bringing together a wide range of stories, essays, and poems, A Grace Paley Reader surveys the writer's eclectic body of work. The short stories are selected from the three collections the author published in her lifetime; wry in tone, they center on the lives and voices of working-class or newly middle-class Jewish New Yorkers.

Grace Paley was an American short story writer, poet, and political activist whose work won a number of awards.

Grace Paley (Author of The Collected Stories)

"The new A Grace Paley Reader, edited by Kevin Bowen and Nora Paley and introduced by George Saunders, makes accessible the writings of a woman who lived a life of tenacious and peaceful resistance. Divided into three sections, Paley's stories, essays, and poems convey distilled wisdom gained from a lifetime of fighting for what she believed . . . her voice is an especially important one now.

The Art and Activism of Grace Paley | The New Yorker

Paley's stories were regathered in a volume from Farrar, Straus in 1994, *Collected Stories*, which was a finalist for the Pulitzer Prize and the National Book Award. [1] Although more widely known for her short fiction, Paley also published three volumes of poetry, *Leaning Forward* (1985), [citation needed] *New and Collected Poems* (1992), [citation needed] and *Long Walks and Intimate Talks* (1991).

One of *The New Yorker's* "Books We Loved in 2017" *A Grace Paley Reader* compiles a selection of Paley's writing across genres, showcasing her breadth of work as well as her extraordinary insight and brilliant economy of words. "A writer like Paley," writes George Saunders, "comes along and brightens language up again, takes it aside and gives it a pep talk, sends it back renewed, so it can do its job, which is to wake us up." Best known for her inimitable short stories, Grace Paley was also an enormously talented essayist and poet, as well as a fierce activist. She was a tireless member of the antiwar movement, the civil rights movement, the tenants' rights movement, the anti-nuclear-power movement, and the Women's Pentagon Action, among other causes, and proved herself to be a passionate citizen of each of her communities—New York City and rural Vermont.

An essential book for all Grace Paley fans Grace Paley is best known for her inimitable short stories, but she was also an enormously talented essayist and poet. *A Grace Paley Reader* collects the best of Paley's writing, showcasing her breadth of work and her extraordinary insight and empathy. With an introduction by George Saunders and an afterword by the writer's daughter, Nora Paley, *A Grace Paley Reader* is sure to become an instant classic.

This rich and multifaceted collection is Grace Paley's vivid record of her life. As close to an autobiography as anything we are likely to have from this quintessentially American writer, *Just As I Thought* gives us a chance to see Paley not only as a writer and "troublemaker" but also as a daughter, sister, mother, and grandmother. Through her descriptions of her childhood in the Bronx and her experiences as an antiwar activist to her lectures on writing and her recollections of other writers, these pieces are always alive with Paley's inimitable voice, humor, and wisdom.

In *Enormous Changes at the Last Minute*, originally published in 1974, Grace Paley "makes the novel as a form seem virtually redundant" (Angela Carter, *London Review of Books*). Her stories here capture "the itch of the city, love between parents and children" and "the cutting edge of combat" (Lis Harris, *The New York Times Book Review*). In this collection of seventeen stories, she creates a "solid and vital fictional world, cross-referenced and dense with life" (Walter Clemons, *Newsweek*).

A telling of stories about Grace Paley's life and work.

Grace Paley's stature among writers of short fiction was established by her first collection, *The Little Disturbances of Man* (1959), and reconfirmed with the publication of *Enormous Changes at the Last Minute* in 1974. This new book, a selection from her work over the past ten years, is appropriately titled *Later the Same Day*: Paley's concerns, or themes, have changed only as much as life's constants change with the passage of time. Those characters familiar to readers of her previous volumes have grown older but are still deeply involved with their parents, their lovers and friends, and their children--the past, present, and future--and the welfare of the wider community. We meet the neighborhood druggist with his tale of familiar heartbreak and small-time bigotry ("*Zagrowsky Tells*"); a willful father in Puerto Rico who cannot accept the obvious loss of his child by kidnapping ("*In the Garden*"); a black woman who mourns the fact that her daughter, "born in good cheer," has become only "busy and broad" ("*Lavinia: An Old Story*")' a visitor from China whose concern is about the children, how to raise them" (*The Expensive Moment*); a craftsman whose beautiful creation is stillborn ("*This is a Story about My Friend George, the Toy Inventor*"). The seventeen stories in *Later the Same Day* are marked by Paley's low-keyed humor, her rich but economical use of language, and her seemingly endless capacity for empathy. Their substance--the persistence of human and political concerns, despite practical pressures--subtly overwhelms less important matters.

Despite the odds stacked up against them, the Remnants seem to be surviving in the Rock's harsh environment while living peacefully with the inhabitants, but this new world still has its set of problems that Billy cannot handle.

Just before her death in 2007 at the age of eighty-four, Grace Paley completed this wise and poignant book of poems. Full of memories of friends and family and incisive observations of life in both her beloved hometown, New York City, and rural Vermont, the poems are sober and playful, experimenting with form while remaining eminently readable. They explore the beginnings and ends of relationships, the ties that bind siblings, the workings of dreams, the surreal strangeness of the aging body—all imbued with her unique perspective and voice. Mournful and nostalgic, but also ruefully funny and full of love, *Fidelity* is Grace Paley's passionate and haunting elegy for the life she was leaving behind.

Here are all Grace Paley's classic stories in one volume. From her first book *THE LITTLE DISTURBANCES OF MAN* (1959), to *ENORMOUS CHANGES AT THE LAST MINUTE* (1974) and *LATER THE SAME DAY* (1985), Grace Paley's quirky, boisterous characters and rich use of language have won her readers' hearts and secured her place as one of America's most accomplished short story writers. Her stories are united by her signature interweaving of personal and political truths, her extraordinary capacity for empathy and her pointed depiction of the small and large events that make up daily life.

Whether writing about relationships, sexy little girls, loving and bickering couples, angry suburbanites, frustrated job-seekers, or Jewish children performing a Christmas play, Grace Paley captures the loneliness, poignancy, and humor of the human experience with matchless style in this book of short stories. "Fresh and vigorous...Mrs. Paley's view of life is her own."--*The New Yorker* "The glad tidings from this reviewer's corner are of the appearance of a [writer] possessed of an all-too-infrequent literary virtue--the comic vision."--*The New York Times*
