KX60 (1983-2002), KX80 (1983-1990)

A book about a tiny island with a huge history, from the New York Times bestselling author of Valiant Ambition and In the Hurricane's Eye. "For everyone who loves Nantucket Island this is the indispensable book." —Russell Baker In his first book of history, Nathaniel Philbrick reveals the people and the stories behind what was once the whaling capital of the world. Beyond its charm, quaint local traditions, and whaling yarns, Philbrick explores the origins of Nantucket in this comprehensive history. From the English settlers who thought they were purchasing a "Native American ghost town" but actually found a fully realized society, through the rise and fall of the then thriving whaling industry, the story of Nantucket is a truly unique chapter of American history.

A collection of startlingly fresh and meaningful prayers, from Walter Brueggemann, a leading Christian thinker and scholar.

It's another deep dive into the Secret Archives as guest artist TYLER BOSS (4 Kids Walk Into a Bank) joins JAMES TYNION IV (Batman) and THE DEPARTMENT OF TRUTH to investigate sightings of flying saucers...and the strange men in black suits trying to cover up their existence. Hold onto your cows! The truth is out there!

From the seventeenth century Cavaliers and Uncle Tom's Cabin to Civil Rights museums and today's conflicts over the Confederate flag, here is a brilliant portrait of southern identity, served in an engaging blend of history, literature, and popular culture. In this insightful book, written with dry wit and sharp insight, James C. Cobb explains how the South first came to be seen--and then came to see itself--as a region apart from the rest of America. As Cobb demonstrates, the legend of the aristocratic Cavalier origins of southern planter society was nurtured by both northern and southern writers, only to be challenged by abolitionist critics, black and white. After the Civil War, defeated and embittered southern whites incorporated the Cavalier myth into the cult of the "Lost Cause," which supplied the emotional energy for their determined crusade to rejoin the Union on their own terms. After World War I, white writers like Ellen Glasgow, William Faulkner and other key figures of "Southern Renaissance" as well as their African American counterparts in the "Harlem Renaissance"--Cobb is the first to show the strong links between the two movements--challenged the New South creed by asking how the grandiose vision of the South's past could be reconciled with the dismal reality of its present. The Southern self-image underwent another sea change in the wake of the Civil Rights movement, when the end of white supremacy shook the old definition of the "Southern way of life"--but at the same time, African Americans began to examine their southern roots more openly and embrace their regional, as well as racial, identity. As the millennium turned, the South confronted a new identity crisis brought on by global homogenization: if Southern culture is everywhere, has the New South become the No South? Here then is a major work by one of America's finest Southern historians, a magisterial synthesis that combines rich scholarship with provocative new insights into what the South means to southerners and to America as well.

The best leaders not only lead well but also reflect on their leadership long enough and thoughtfully enough to articulate the philosophies that cause them to do so. Whether serving in the marketplace or in ministry, as executives or rank-and-file employees, as salaried staff or volunteer servants, good leaders can pinpoint the rationale for their actions and decisions with the ease of reciting their home address. In Axiom: author Bill Hybels divulges the God-given convictions that have dictated his leadership strategy for more than three decades as senior pastor of Willow Creek Community Church. Oriented toward four key leadership categories ... 1. Vision and strategy ('Promote Shameless Profitability,' 'Take a Flyer') 2. Teamwork and communication ('Obi-Wan Kenobi Isn't for Hire,' 'Disagree without Drawing Blood') 3. Activity and assessment ('Develop a Mole System,' 'Sweat the Small Stuff') 4. Personal integrity ('Admit Mistakes, and Your Stock Goes Up,' 'Fight for Your Family') ...Axiom brokers accessible wisdom from one leader's journey, as well as emboldens you to nail down the reasons why you lead like you lead.

Bible and Koran Those who study the Koran must also study the Bible, so frequent are the references, themes and figures which bring us back to the Old and the New Testaments. Reciprocally, those who study the Bible cannot ignore the ties that bind it to the Koran. It is only by accepting this stringent condition that people from Jewish, Christian and Islamic backgrounds can hope to have an honest and open dialog. This ebook begins with Jacqueline Chabbi from the University of Paris VIII, who focuses on the chronology of the constitution of the Koran and the historical context in which Islam originated. Geneviève Gobillot, from the University of Lyon III, delves into the text of the Koran to illustrate its various and complex links with the Bible. Emilio Platti from Cairo and Maurice Borrmans from Rome then examine biblical figures in the Islamic tradition, and finally Alain George from the University of Edinburgh discusses the production of the Koran in Syriac workshops.

A stunning, evocative novel set in Ireland and Canada. Away traces a family's complex and layered past. The narrative unfolds with shimmering clarity, and takes us from the harsh northern Irish coast in the 1840s to the quarantine stations at Grosse Isle and the barely hospitable land of the Canadian Shield; from the flourishing town of Port Hope to the flooded streets of Montreal; from Ottawa at the time of Confederation to a large-windowed house at the edge of a Great Lake during the present day. Graceful and moving, Away unites the personal and the political as it explores the most private, often darkest corners of our emotions where the things that root us to ourselves endure. Powerful, intricate, lyrical, Away is an unforgettable novel.
