Amazon.com: bear marian engel

The first thing you need to know about Marian Engel's 1976 novel Bear is that it is about a woman who has sex with a giant bear. Not a metaphorical,

figurative, concept-within-a-creature bear: a real, furry, wild brown bear. There's more to it than that, but why bury the lead?

Marian Engel (Author of Bear)

Review Consensus: Very impressed From the Reviews: "The reason Bear is the greatest Canadian novel of all time is not because I, a 27-year-old woman with a piss poor sense of the boundaries between work and life, found it relatable. Bear is great because of what it manages to do through language in its meagre 115 pages. Engel's prose turns swiftly from the comic to lyric and back again ...

Bear - Marian Engel - Complete Review

Bear, by Marian Engel (Toronto, 1976), winner of the Governor-General's Award, has been called the most controversial novel ever written in Canada because of its heroine's erotic relationship with a bear. Lou is a lonely, middle-aged archivist who ekes out a molelike existence in the city, alienated from the natural world.
