"Dave Ramsey instructs couples how to work together as a team, gives singles some practical tips for financial accountability, and shows parents how to teach their children about money from a young age"--Container.

This report presents the results of the assessment of the organisation of the central government of Australia. The study looks at reforms that are aimed at improving the quality of services (more value) and efficiency (less money) in central government.

If you 're looking for practical information to answer all your " How? " " What? " and " Why? " questions about money, this book is for you. Dave Ramsey 's Complete Guide to Money covers the A to Z of Dave 's money teaching, including how to budget, save, dump debt, and invest. You 'll also learn all about insurance, mortgage options, marketing, bargain hunting and the most important element of all - giving. This is the handbook of Financial Peace University. If you 've already been through Dave 's nine-week class, you won 't find much new information in this book. This book collects a lot of what he 's been teaching in FPU classes for 20 years, so if you 've been through class, you 've already heard it! It also covers the Baby Steps Dave wrote about in The Total Money Makeover, and trust us - the Baby Steps haven 't changed a bit. So if you 've already memorized everything Dave 's ever said about money, you probably don 't need this book. But if you 're new to this stuff or just want the all-in-one resource for your bookshelf, this is it!

Report assessing society's ability to sustain itself without hurting the next generation

" The newbie investor will not find a better guide to personal finance. " —Burton Malkiel, author of A RANDOM WALK DOWN WALL STREET TV analysts and money managers would have you believe your finances are enormously complicated, and if you don 't follow their guidance, you 'll end up in the poorhouse. They 're wrong. When University of Chicago professor Harold Pollack interviewed Helaine Olen, an award-winning financial journalist and the author of the bestselling Pound Foolish, he made an offhand suggestion: everything you need to know about managing your money could fit on an index card. To prove his point, he grabbed a 4" x 6" card, scribbled down a list of rules, and posted a picture of the card online. The post went viral. Now, Pollack teams up with Olen to explain why the ten simple rules of the index card outperform more complicated financial strategies. Inside is an easy-to-follow action plan that works in good times and bad, giving you the tools, knowledge, and confidence to seize control of your financial life.

Successful real estate investments play an essential role in Canadian investors' portfolios. The growth in wealth in real estate markets has presented investors with tremendous opportunities to capitalize on and expand their range of investments, and has moved real estate investing from a niche product to a pillar of smart portfolio diversification. In Making Money in Real Estate, 2nd Edition, Douglas Gray demystifies the Canadian real estate market for novice investors and presents new strategies for veteran investors. Learn to: Understand the real estate market cycles Find a property and assess its investment potential Build a trustworthy real estate team Arrange financing on good terms Use negotiating tactics that work Understand tax and legal issues Manage a property Avoid the pitfalls that many investors fall into Examine the pros and cons of non-residential property investment options Readers of previous editions will appreciate the vital changes to mortgage rules, taxation and legislation, and the inclusion of information on commercial real estate. Thorough coverage in plain English makes Making Money in Real Estate, 2nd Edition the next logical step for investors who want to begin or expand their real estate portfolios, and is a critical and indispensable tool in investment decision making.
