The legend of Elizabeth Bathory (who Hammer lionised in Countess Dracula) provides the inspiration for this lyrically erotic, art house shocker, expertly directed by the Belgian Harry Kümel.

Daughters of Darkness is a collection of fine art portraits of women in corpse paint. A nod to black metal and doom album cover art, Daughters of Darkness was photographed over 10+ years, with more than 400 models from all over the world, almost all of which did their own corpse paint and are fans of black metal. Daughters of Darkness features many celebrities, actresses, musicians, and models (some under the cover of corpse painted anonymity) all of whom donned only corpse paint for this book. Photographed by internationally renowned music and fine art photographer Jeremy Saffer, this project combines both his music photography and fine art photography worlds into a single project, which was conceived to capture the memory of flipping though albums in a music store and buying albums based entirely on the albums cover art (which often featured a nude portrait, someone in corpse paint, or both) prior to knowing the music or the band. Like the music that inspired it, Daughters of Darkness shows the duality of finding beauty in dark imagery, and finding darkness within beauty.

In an erotic celebration of the lesbian vampire--the quintessential bad girl who defies all the rules--the most popular lesbian authors writing today, including Jewelle Gomez, Robbi Sommers, and Pat Califia, present ten compelling stories.

"Superior... Refreshingly, Spencer doesn't make Redhead, who's capable of snark and petty malice, wholly likable. Readers will look forward to the further adventures of this distinctive lead" - Publishers Weekly Starred Review Private investigator Jennie Redhead is hired to investigate a murder that's left the police baffled, in this gripping historical mystery set partly in 1970's Oxford and partly in war-torn 1940's London. Oxford, 1975. Three years ago, world-renowned anthropologist Grace Stockton was slain in a brutal, unprovoked attack. Despite a large-scale police investigation, the identity of the prime suspect was never uncovered . . . and neither was the location of Grace's head. But Grace's daughter, the wealthy academic Julia Pemberton, refuses to accept that the trail has run cold. Determined to find out who killed her mother, she knows just the woman for the job: private investigator Jennie Redhead. Who was the woman caught on CCTV visiting Grace's isolated home on the day of the murder? And why did she cut off her victim's head? Jennie's search for answers takes her on a dark, disturbing journey into the past, from the ancient tribal customs of Papua New Guinea, to war-torn 1940's London, and to a dark tangle of secrets and scandal that someone is desperate should never be revealed . . .

Daughters of Darkness (1971) is a vampire film like no other. Heralded as psychological high-Gothic cinema, loved for its art-house and erotic flavors, Harry K♦mel's 1971 cult classic is unwrapped in intricate detail by writer Kat Ellinger to unravel the many mysteries surrounding just what makes it so appealing. This book, as part of the Devil's Advocates series, examines the film in the context of its peers and contemporaries, in order to argue its place an important evolutionary link in the chain of female vampire cinema. The text also explores the film's association with fairy tales, Gothic, and fantastic tradition, as well as delving into aspects of the legend of Countess Bathory, traditional vampire lore, and much more. The book contains new and exclusive interviews with director Harry K♦mel and actress and star Danielle Ouimet.

Andrews’s passion for vampires comes to spellbinding life in a long-awaited novel of dark desires as all-consuming—and forbidden—as in Flowers in the Attic. One night, with the sound of a young man’s scream, high school senior Lorelei discovers that her stern but loving father, who adopted Lorelei and her sisters as infants, is no ordinary man. He has raised his beautiful girls for one purpose: to lure young men into their world of shadows. Like her sisters, Lorelei has been trained in the art of seduction and warned never to fall in love. But when she meets a handsome and charming classmate, she boldly defies her family and follows her heart—even if love is a poison. . . . Dangerously enticing and deliriously intoxicating, V.C.
