In Jennifer Lopez 's first ever book, True Love, she explores one of her life 's most defining periods—the transformative two-year journey of how, as an artist and a mother, she confronted her greatest challenges, identified her biggest fears, and ultimately emerged a stronger person than she 's ever been. Guided by both intimate and electrifying photographs, True Love an honest and revealing personal diary with hard-won lessons and heartfelt recollections and an empowering story of self-reflection, rediscovery, and resilience. Completely full-color, with photos throughout and lavishly designed, True Love is a stunning and timeless book that features more than 200 never-before-seen images from Lopez 's personal archives, showing candid moments with her family and friends and providing a rare behind-the-scenes look at the life of a pop music icon travelling, rehearsing, and performing around the world.

This ground-breaking publication is a visually arresting convergence of life imitating art, guided by both intimate and electrifying never-before-seen photographs that depict Lopez's cathartic experience of becoming a mother while creating her first world tour. Written like a personal diary with hard-won lessons and heartfelt recollections, True Love is an empowering story of self-reflection, rediscovery and resilience.

Chronicles the personal and professional life of the Hispanic American actress and singer, from her childhood in the Bronx to her success in the entertainment industry.

The everyday power of prayer comes to life in this inspirational picture book written by twelve-year-old budding singer Emme Mu ñ iz. We all have moments every day where we can use a little help. Some are small, like waking up for school or getting along with a sibling. Others are big, like helping to save the planet and all its creatures—especially sloths! But asking God for help always brings us the strength to get through anything. Emme Mu ñ iz shares her own daily prayers to offer families a way to embrace the peace and power of everyday faith.

Working for the biggest stars in the world—Jennifer Lopez, P. Diddy, Alicia Keys, and Jessica Simpson, officially as a publicist but in reality, as a confidante—Rob Shuter has seen it all. In fifteen years as a celebrity publicist, Rob has been privileged to have a front-row seat to the most successful people in the world. Before Jessica Simpson told then-husband Nick Lachey that they were getting divorced, she called Rob. Jon Bon Jovi flew Rob to each of his shows on a private jet for the primary purpose of escorting out press before his fabulous hair flopped. Rob was responsible for making sure an Asian pear was within feet of Jennifer Lopez at any given moment, per her very specific demands. Being involved in the lives of the best and the brightest, Rob quickly discovered it wasn't talent all his super successful clients had in common. Rather, what all these extraordinary people share is they know exactly who they are—in just four words.

The book that inspired HOME, now a major motion picture! It all starts with a school essay. When twelve-year-old Gratuity ("Tip") Tucci is assigned to write five pages on "The True Meaning of Smekday" for the National Time Capsule contest, she's not sure where to begin. When her mom started telling everyone about the messages aliens were sending through a mole on the back of her neck? Maybe on Christmas Eve, when huge, bizarre spaceships descended on the Earth and the aliens—called Boov—abducted her mother? Or when the Boov declared Earth a colony, renamed it "Smekland" (in honor of glorious Captain Smek), and forced all Americans to relocate to Florida via rocketpod? In any case, Gratuity's story is much, much bigger than the assignment. It involves her unlikely friendship with a renegade Boov mechanic named J.Lo.; a futile journey south to find Gratuity's mother at the Happy Mouse Kingdom; a cross-country road trip in a hovercar called Slushious; and an outrageous plan to save the Earth from yet another alien invasion. Fully illustrated with "photos," drawings, newspaper clippings, and comics sequences, this is a hilarious, perceptive, genre-bending novel from best-selling author Adam Rex.

Aladdin and Jasmine are happily married, and the Genie has returned from a trip around the world! But the Genie has been feeling blue. All his traveling has made him lonely, and he wishes he could find another genie to share his life with. So when Aladdin runs off to catch a kangaroo the Genie brought back from Australia, Jasmine recounts the story of how she found her one true love: Aladdin! Will Jasmine be able to cheer up the Genie and help him find his one true love?

The murdered Mexican singer's husband shares his recollections and memories of their relationship, both personal and professional, and clarifies certain misconceptions about her life and death.

Selma Blair has played many roles: Ingenue in Cruel Intentions. Preppy ice queen in Legally Blonde. Muse to Karl Lagerfeld. Advocate for the multiple sclerosis community. But before all of that, Selma was known best as ... a mean baby. In a memoir that is as wildly funny as it is emotionally shattering, Blair tells the captivating story of growing up and finding her truth. "Blair is a rebel, an artist, and it turns out: a writer." —Glennon Doyle, Author of the #1 New York Times Bestseller Untamed and Founder of Together Rising The first story Selma Blair Beitner ever heard about herself is that she was a mean, mean baby. With her mouth pulled in a perpetual snarl and a head so furry it had to be rubbed to make way for her forehead, Selma spent years living up to her terrible reputation: biting her sisters, lying spontaneously, getting drunk from Passover wine at the age of seven, and behaving dramatically so that she would be the center of attention. Although Selma went on to become a celebrated Hollywood actress and model, she could never quite shake the periods of darkness that overtook her, the certainty that there was a great mystery at the heart of her life. She often felt like her arms might be on fire, a sensation not unlike electric shocks, and she secretly drank to escape. Over the course of this beautiful and, at times, devastating memoir, Selma lays bare her addiction to alcohol, her devotion to her brilliant and complicated mother, and the moments she flirted with death. There is brutal violence, passionate love, true friendship, the gift of motherhood, and, finally, the surprising salvation of a multiple sclerosis diagnosis. In a voice that is powerfully original, fiercely intelligent, and full of hard-won wisdom, Selma Blair's Mean Baby is a deeply human memoir and a true literary achievement.

In a fantastic city of canals, seventeen-year-old gondolier Altair Jones finds herself involved in aristocratic plots and mortal danger when she rescues a man thrown into the canal to drown
