Drum Programming A  
Complete Guide

Drum Programming:  
A Complete Guide to  
Program & Think Like  
a Drummer is written  
to help someone  
program a 1991 drum  
machine. It starts with

Where To  
Download Drum  
the basics - pictures  
of drums with  
explanations of their  
use. Some  
information about  
measures & time  
signatures which is  
minimized in this  
book. I found a  
section on Song  
Structure very helpful.
