"Local editors Schaper and Horwitz have assembled a noteworthy collection of noir-infused stories mixed with laughter...The Akashic noir short-story anthologies are avidly sought and make ideal samplers for regional mystery collecting." --Library Journal "The best pieces in the collection turn the clichés of the genre on their head . . . and despite the unseemly subject matter, the stories are often surprisingly funny." --City Pages (Minneapolis) Brand-new stories from John Jodzio, Tom Kaczynski, and Peter Schilling, Jr., in addition to the original volume's stories by David Housewright, Steve Thayer, Judith Guest, Mary Logue, Bruce Rubenstein, K.J. Erickson, William Kent Krueger, Ellen Hart, Brad Zellar, Mary Sharratt, Pete Hautman, Larry Millett, Quinton Skinner, Gary Bush, and Chris Everheart. "St. Paul was originally called Pig's Eye's Landing and was named after Pig's Eye Parrant--trapper, moonshiner, and proprietor of the most popular drinking establishment on the Mississippi. Traders, river rats, missionaries, soldiers, land speculators, fur trappers, and Indian agents congregated in his establishment and made their deals. When Minnesota became a territory in 1849, the town leaders, realizing that a place called Pig's Eye might not inspire civic confidence, changed the name to St. Paul, after the largest church in the city . . . Across the river, Minneapolis has its own sordid story. By the turn of the twentieth century it was considered one of the most crooked cities in the nation. Mayor Albert Alonzo Ames, with the assistance of the chief of police, his brother Fred, ran a city so corrupt that according to Lincoln Steffans its 'deliberateness, invention, and avarice has never been equaled.' As recently as the mid-'90s, Minneapolis was called 'Murderopolis' due to a rash of killings that occurred over a long hot summer . . . Every city has its share of crime, but what makes the Twin Cities unique may be that we have more than our share of good writers to chronicle it. They are homegrown and they know the territory--how the cities look from the inside, out . . ."

"...profoundly moving..." -Publishers Weekly Nelson Mandela's two great-grandchildren ask their grandmother, Mandela's youngest daughter, 15 questions about their grandad - the global icon of peace and forgiveness who spent 27 years in prison. They learn that he was a freedom fighter who put down his weapons for the sake of peace, and who then became the President of South Africa and a Nobel Peace Prize-winner, and realise that they can continue his legacy in the world today. Seen through a child's perspective, and authored jointly by Nelson Mandela's great-grandchildren and daughter, this amazing story is told as never before to celebrate what would have been Nelson's Mandela 100th birthday.

Over two hundred and thirty years ago the Fallocaust happened, killing almost everything that lived and creating what is now known as the greywastes. A dead wasteland where cannibalism is a necessity, death your reality, and life before the radiation nothing but pictures in dog-eared magazines. Reaver is a greywaster, living in a small block controlled by a distant ruler said to have started the Fallocaust. He is a product of the savage world he was raised in and prides himself on being cold and cruel. Then someone new to his town catches his eye, someone different than everyone else. Without knowing why he starts to silently stalk him, unaware of where it will lead him.

Neldorailin, The land of Elves, Dwarves, Orcs, Humans, Horse Lords and Knights holds the key to Rose's past and to her future. A chance encounter with a dying sailor yields a letter and a key, propelling Rose to discover the mystery behind her heritage. Follow Rose on her fantastical journey fraught with danger and intrigue as she rushes headlong toward her destiny. "A Key of Hope" is Amanda Redhead's exciting introduction to the land of Nelderailin, where many fantastic tales yearn to be told.

Crash Lane News, book party and tour started at the Book Expo of America in the Author Hub, May 2014, and the New Title Showcase in 2015. Crash Lane News, was also advertised at the Texas Book Festival in Austin, Texas. Crash Lane News, book party tour ended at the Boston Book Festival, October 2015, where the book was displayed and available to buy at the Independent Publishers of New England Booth. Crash Lane News, is an Indie Fab Book of the Year Travel Finalist for 2015. For more information about the book visit CrashLaneNews.com. New book 'Crash Lane News' is 2015's scientific, comprehensive self-help travel resource CrashLaneNews.com presents original, simplified point of view about travel to help readers travel safer CALIFORNIA - The new book, "Crash Lane News" (published by AuthorHouse) from CrashLaneNews.com, combines security strategies and plans to help bring awareness to, and improve, traveler safety across the 50 United States, U.S. Territories and allies of the U.S. like South Korea, Taiwan, Japan and the Philippines. By combining stories of real-life situations with interviews and statistics, CrashLaneNews.com hopes to appeal to travelers who are looking for more than just dry news, but rather an all-inclusive story-based format that will appeal to their logical sides as well as their curiosity about real-life experiences. Information from the National Highway Traffic Safety Administration, the Department of Transportation and many more is included alongside accident, violation and disaster rates. Also included are interviews with the CTIA-The Wireless Association public relations office, NASA's Rani Gran, The National Weather Service, True Mileage's CEO Ryan Morrison, National Weather Service Interviews with Meteorologist Glen Field in Taunton, Massachusetts; Meteorologist Larry Ruthi in Dodge City, Kansas; and with additional meteorologists in Honolulu, Hawaii; North Carolina; Peach Tree City, Georgia; and Slidell/New Orleans, Louisiana; AAA Auto Club's Public Relations Officer, Cynthia Harris, of AAA's Northern California, Nevada, and Utah regional office in San Francisco, California; National Insurance Crime Bureau's Public Affairs Director Frank Scaffidi and more. Travel advice for travelers is included from the Department of the State and the FCC. An excerpt from "Crash Lane News": "In the years after 9/11 there was a big issue and discussion about how there is a lack of transparency in the United States about information relating to Homeland Security and disasters like Hurricane Katrina. The lack of transparency in the military, and what later happened to many of those that volunteered to serve the United States is horrific. But with all the casualties, injuries, and failures, change to correct these errors can be made." CrashLaneNews.com's vision is to help travelers develop comprehensive plans for their own safety. Trope London, the second volume in the Trope City Editions series highlighting the world's most architecturally compelling cities, is a highly curated collection of photographic images from an active community of urban photographers who have passionately captured their city like never before.

Althusser and Law is the first book specifically dedicated to the place of law in Louis Althusser's philosophy. The growing importance of Althusser's philosophy in contemporary debates on the left has - for practical and political, as well theoretical reasons - made a sustained consideration of his conception of law more necessary than ever. As a form of what Althusser called 'Ideological State Apparatuses', law is at the forefront of political struggles: from the destruction of Labour Law to the exploitation of Patent Law; from the privatisation of Public Law to the ongoing hegemony of Commercial Law; and from the discourse on Human Rights to the practice of judicial courts. Is Althusser still useful in helping us to understand these struggles? Does he have something to teach us about how law is produced, and how it is used and misused? This collection demonstrates that Althusser's ideas about law are more important, and more contemporary, than ever. Indeed, the contributors to Althusser and Law argue that Althusser offers a new and invaluable perspective on the place of law in contemporary life.

The Science Focus Second Edition is the complete science package for the teaching of the New South Wales Stage 4 and 5 Science Syllabus. The Science Focus Second Edition package retains the identified strengths of the highly successful First Edition and includes a number of new and exciting features, improvements and components. The innovative Teacher Edition with CD allows a teacher to approach the teaching and learning of Science with confidence as it includes pages from the student book with wrap around teacher notes including answers, hints, strategies and teaching and assessment advice.

They may ride off into the sunset, but cowboys never go out of style. These manly men embody the fiercely independent, earthy alpha male and hero who isn't afraid to show the gentle, nurturing side of his complex nature when faced with a woman in need. Even when he's coated with dust from riding behind a herd of cattle or up to his knees in mud freeing a calf from a wallow, this stud still generates a lot of Cowboy Heat. Delilah Devlin's Cowboy Lust was a sensation, hitting the top ten of romance books and generating a river of praise. Award-winning Devlin is back on the ranch with stories of rugged romantics, rough riders, and rope wranglers sure to satisfy any reader who craves the idea of that gruff, romantic hero, a man of few words but many moves. Cowboy Heat sits tall in the saddle, winning hearts and spurring readers to new heights of happiness.

Stickerbomb Skulls is the latest themed book in the Stickerbomb series, featuring many forms of design and illustrations of skulls by an eclectic mix of artists from around the world. Skulls are a very strong visual icon used extensively in the worlds of fashion, jewelry, graphic design, music, street art, and tattoos. The book will appeal to existing Stickerbomb fans as well as new fans who love skull imagery.
