It contains the entire agreement between the owner and BRP and provides the coverage for the term that is designated in the declarations. This B.E.S.T. contract supersedes any other written or oral statements made to the owner about the coverage under this B.E.S.T. contract.

Evinrude Owners Center | Evinrude US | Evinrude US

An Evinrude E-TEC engine is up to 300 pounds li ghter than competitive outboard en-gines. This translates to faster planing with less bow rise so you can see the open water in front of you. You demand performance and immediate response. That's why instant throttle response and hole shot are so important. The key with Evinrude E-TEC is that every revolution is a power stroke. That means twice ...
