First Light is a young adult science fiction and mystery novel by Rebecca Stead, first published in 2007. The novel follows Peter, who is in Greenland with his father and mother for research on global warming, and Thea, who lives in Gracehope, an underground colony located below Greenland. First Light explains how global warming is melting Gracehope and Peter and Thea's attempt to persuade the people to leave.

First Light (Stead novel) - Wikipedia

(The Horn Book Magazine) "Stead's debut novel rests on an intriguing premise.... It is a testament to the storytelling that the existence of this parallel world and the convergence of Peter and Thea's stories, told in separate chapters, are both credible and absorbing. Young readers will find this a journey worth taking."
