Hamlet says fine, and the King and Queen exit with their courtiers, leaving the moody and depressed Prince alone. Hamlet reveals that he is contemplating suicide and wishes that his "flesh" would "melt." Yep, he's serious. Time for a history snack: If Hamlet were a real person and alive today, he'd probably be diagnosed with clinical depression.

This book is ideal for readers in high school, college, or otherwise seeking an easier understanding of a classic text. Ace any exam with our materials, including Advanced Placement (AP) exams!

Among Shakespeare's plays, "Hamlet" is considered by many his masterpiece. Among actors, the role of Hamlet, Prince of Denmark, is considered the jewel in the crown of a triumphant theatrical career. Now Kenneth Branagh plays the leading role and co-directs a brilliant ensemble performance. Three generations of legendary leading actors, many of whom first assembled for the Oscar-winning film "Henry V", gather here to perform the rarely heard complete version of the play. This clear, subtly nuanced, stunning dramatization, presented by The Renaissance Theatre Company in association with "Bbc" Broadcasting, features such luminaries as Sir John Gielgud, Derek Jacobi, Emma Thompson and Christopher Ravenscroft. It combines a full cast with stirring music and sound effects to bring this magnificent Shakespearen classic vividly to life. Revealing new riches with each listening, this production of "Hamlet" is an invaluable aid for students, teachers and all true lovers of Shakespeare - a recording to be treasured for decades to come.

Gertrude and Claudius are the “ villains ” of Hamlet: he the killer of Hamlet ’ s father and usurper of the Danish throne, she his lusty consort, who marries Claudius before her late husband ’ s body is cold. But in this imaginative “ prequel ” to the play, John Updike makes a case for the royal couple that Shakespeare only hinted at. Gertrude and Claudius are seen afresh against a background of fond intentions and family dysfunction, on a stage darkened by the ominous shadow of a sullen, erratic, disaffected prince. “ I hoped to keep the texture light, ” Updike said of this novel, “ to move from the mists of Scandinavian legend into the daylight atmosphere of the Globe. I sought to narrate the romance that preceded the tragedy. ”

Presents a graphic novel version of the classic tragedy about the struggle of Prince Hamlet to avenge his father's murder.

Part of Prufrock's new series for the upper level classroom, Advanced Placement Classroom: Hamlet allows teachers to take a fresh approach on one of Shakespeare's most famous plays, by moving beyond basic history and memorization of quotes. Students will study cultural variations of the Hamlet story, recreate the tale's events in a news show format, rewrite scenes using modern-day perspectives, and create their own blogs to discuss the play's relationship to contemporary life.
