"Inspecting Surgical Instruments, An Illustrated Guide, authored by Rick Schultz, President and Chief Executive Officer of Spectrum Surgical Instruments Corp. is a useful text book for healthcare professionals. The fully illustrated book contains over 250 detailed color photos. The book serves as a valuable resource for healthcare professionals, including, surgeons, operating

room nurses, surgical technologists, sterile processing professionals, and veterinarians. In addition to the inspection process, the book covers the surgical instrument repair process, testing standards, instrument handling tips and more. Mr. Schultz is a lecturer, inventor, and leading educator in the surgical instrument field and has been President and Chief Executive Officer of Spectrum Surgical Instruments since acquiring the company in 1986. The company, located in Stow, OH offers surgical instruments and surgical instrument repair services." - product description.

Boxed set contains: one textbook and one workbook. The workbook includes chapter by chapter progress quizzes, as well as a final exam. The boxed course (with a textbook and workbook) is the key preparation tool for those studying to become a Certified and Registered Central Service Technician (CRCST). Please note, however, the workbook is not sold separately and must be chosen at the time of purchase of a boxed course.
