Toyota Land Cruiser A legendary model from Toyota, the Land Cruiser is  
available in the market from 1951 to till date. It is a series of four-  
wheel drive vehicles and the longest series in Toyota's history.  
Toyota extensively tests this vehicle in the Australian outback, which  
is considered to be one of the toughest operating environments.

Professional technicians have relied on the Chilton Labor Guide estimated repair times for decades. This latest edition expands on that reliability by including technical hotline feedback and research from professional labor experts. The labor times reflect actual vehicle conditions found in the aftermarket, including rust, wear and grime. Available in both hardcover and CD-ROM, this completely revised manual provides thousands of labor times for 1981 through current year domestic and imported vehicles. All times reflect technicians' use of
