Emmanuel Carrere paints Limonov in the most romantic light: a person who sides with the weak, a Buddhist teacher, a charismatic charmer, a monogamist whose wives keep leaving. A person tormented by the glorious memories of Stalinist Russia where people were afraid of the police.

'The Kingdom, already a huge bestseller in France, is thrilling, magnificent and strange' Bryan Appleyard, Sunday Times 'An utterly brilliant book' Catherine Nixey, The Times The sensational international bestseller from one of France's most fêted writers - an epic novel telling the story of Christianity as it has never been told before, and one man's crisis of faith. Corinth, ancient Greece, two thousand years ago. An itinerant preacher, poor, wracked by illness, tells the story of a prophet who was crucified in Judea, who came back from the dead, and whose return is a sign of something enormous. Like a contagion, the story will spread

over the city, the country and, eventually, the world. Emmanuel Carrère's astonishing historical epic tells the story of the mysterious beginnings of Christianity, bringing to life a distant, primeval past of strange sects, apocalyptic beliefs and political turmoil. In doing so Carrère, once himself a fervent believer, questions his own faith, asks why we believe in resurrection, and what it means. *The Kingdom* is his masterpiece.

A thrilling page-turner that also happens to be the biography of one of Russia's most controversial figures This is how Emmanuel Carrère, the magnetic journalist, novelist, filmmaker, and chameleon, describes his subject: "Limonov is not a fictional character. There. I know him. He has been a young punk in Ukraine, the idol of the Soviet underground; a bum, then a multimillionaire's butler in Manhattan; a fashionable writer in Paris; a lost soldier in the Balkans; and now, in the fantastic shambles of postcommunism, the elderly but charismatic leader of a party of young desperadoes. He sees himself as a hero; you might call him a scumbag: I suspend my judgment on the matter. It's a dangerous life, an ambiguous life: a real adventure novel. It is also, I believe, a life that says something. Not just about him, Limonov, not just about Russia, but about all our history since the end of the Second World War." So Eduard Limonov isn't fictional—but he might as well be. This pseudobiography isn't a novel, but it reads like one: from Limonov's grim childhood to his desperate, comical, ultimately successful attempts to gain the respect of Russia's literary intellectual elite; to his immigration to New York, then to Paris; to his return to the motherland. Limonov could be read as a charming picaresque. But it could also be read as a troubling counternarrative of the second half of the twentieth century, one that reveals a violence, an anarchy, a brutality, that the stories we tell ourselves about progress tend to conceal.

and erotic tour de force — Emmanuel Carrère pursues two consuming obsessions: the disappearance of his grandfather amid suspicions that he was a Nazi collaborator in the Second World War; and a violently passionate affair with a woman that he loves but which ends in destruction. Moving between Paris and Kotelnich, a grisly post-Soviet town, Carrère weaves his story into a travelogue of a journey inward, travelling fearlessly into the depths of his tortured psyche.

In Sri Lanka, a tsunami sweeps a child out to sea, her grandfather helpless against the onrushing water. In France, a woman dies from cancer, leaving her husband and small children bereft. What links these two catastrophes is the presence of Emmanuel Carrère, who manages to find consolation and even joy as he immerses himself in lives other than his own. The result is a heartrending narrative of endless love, a meditation on courage in the face of adversity, and an intimate look at the beauty of ordinary lives.

A selection of the best short work by France's greatest living nonfiction writer A New York Times Notable Books of 2020 No one writes nonfiction like Emmanuel Carrère. Although he takes cues from such literary heroes as Truman Capote and Janet Malcolm, Carrère has, over the course of his career, reinvented the form in a search for truth in all its guises. Dispensing with the rules of genre, he takes what he needs from every available form or discipline—be it theology, historiography, fiction, reportage, or memoir—and fuses it under the pressure of an inimitable combination of passion, curiosity, intellect, and wit. With an oeuvre unique in world literature for its blend of empathy and playfulness, Carrère stands as one of our most distinctive and important literary voices. 97,196 Words introduces Carrère's shorter works to an English-language audience. Featuring more than thirty extraordinary essays written over an illustrious twenty-five-year period of Carrère's creative life, this collection shows an exceptional mind at work. Spanning

Limonov non è un personaggio inventato. Esiste davvero: « è stato teppista in Ucraina, idolo dell'underground sovietico, barbone e poi domestico di un miliardario a Manhattan, scrittore alla moda a Parigi, soldato sperduto nei Balcani; e adesso, nell'immenso bordello del dopo comunismo, vecchio capo carismatico di un partito di giovani desperados. Lui si vede come un eroe, ma lo si può considerare anche una carogna: io sospendo il giudizio » si legge nelle prime pagine di questo libro. E se Carrere ha deciso di scriverlo è perché ha pensato « che la sua vita romanzesca e spericolata raccontasse qualcosa, non solamente di lui, Limonov, non solamente della Russia, ma della storia di noi tutti dopo la fine della seconda guerra mondiale ». La vita di Eduard Limonov, però, è innanzitutto un romanzo di avventure: al tempo stesso avvincente, nero, scandaloso, scapigliato, amaro, sorprendente, e irresistibile. Perché Carrere riesce a fare di lui un personaggio a volte commovente, a volte ripugnante — a volte perfino accattivante. Ma mai, assolutamente mai, mediocre. Che si trascini gonfio di alcol sui marciapiedi di New York dopo essere stato piantato dall'amatissima moglie o si lasci invischiare nei più grotteschi salotti parigini, che vada ad arruolarsi nelle milizie filoserbe o approfitti della reclusione in un campo di lavoro per temprare il « duro metallo di cui è fatta la sua anima », Limonov vive ciascuna di queste esperienze fino in fondo, senza mai chiudere gli occhi, con una temerarietà e una pervicacia che suscitano rispetto. Ed è senza mai chiudere gli occhi che Emmanuel Carrere attraversa questa esistenza oltraggiosa, e vi si immerge e vi si rispecchia come solo può fare chi, come lui, ha vissuto una vita che ha qualcosa di un « romanzo russo » .
