Super MarioTM: The Big Coloring Book features 50 stickers and a die-cut handle for fun on the go! Children ages 3 to 7 will love this oversized Nintendo Super MarioTM coloring book featuring Mario, Luigi, and all their friends and foes—plus more than 50 stickers and a die-cut handle for fun on the go! Mario made his debut in the 1980s in arcades around the world and has since gone on to star in many adventures, evolving into the beloved icon he is today. He is a video-game sensation, appearing across all genres—from action platformers to sports, kart racing, and beyond.

A lot of books on driving are written by professional racers who assume you too want to be a professional racer. Not this book. It's written by a hobbyist who suggests you keep your day job. Besides, it's much more fun being an enthusiastic amateur than a jaded professional (just ask someone in the sex industry). This book is designed to help the average driver make the transition from commuter to safe road racer in as few pages as possible. I wrote this book because it's what I would have wanted to read when I first became interested in track driving: succinct, nerdy, practical, and occasionally diverting. It is not intended as a definitive tome or a work of art. It's more like a sandwich: convenient and nourishing.

The ultimate Guinness Book of Records for gamers - now in its third edition Pick up the completely updated Guinness Book of Records, Gamer's Edition 2010 and learn all about amazing computer and video-game record breakers from around the world.
