This spiral-bound, full-color supplement to Milady's Standard Esthetics: Advanced textbook can be used in conjunction with your textbook, or on its own to brush up on key procedures. Each step is clearly explained and is accompanied throughout by full-color photos. At the end of each of the procedures, you'll find a list of rubrics, or ways to note and comment on your performance of each of the key tasks. Rubrics are used in education for organizing and interpreting data gathered from observations of student performance. It is a clearly-developed scoring document used to differentiate between levels of development in a specific skill performance or behavior. You can use it to evaluate yourself, other estheticians, other students, or, as an instructor, to evaluate your own students. To assist you in really learning each and every step, we've noted which procedures can be found on the companion DVD set, Milady's Standard Esthetics: Advanced. If you already own these DVDs, or know that your school owns them, we encourage you to watch the procedure in video to strengthen your understanding of that

particular procedure.

Milady's Standard Esthetics Fundamentals, International Edition is an introductory text for students who are enrolled in an esthetics training course up to 600 hours. The text is designed to deliver a complete overview of all of the information necessary to introduce a newcomer to the world of professional skin care, including human anatomy, chemistry, electricity, skin analysis, conditions and disorders. Learners are given a comprehensive tour of the most well-known, best-used treatment techniques and services requested by clients: facial massage, the use of facial machines, hair removal, advanced topicals and makeup. The material covers the history of and the opportunities in Esthetics, as well as how to create a competent and lasting professional image and effectively communicate for success in the skin care business. The text prepares the learner for management of the skin care business operations and successful retailing of products and services.

Nail technology is an exciting and rewarding profession. Each year professional nail technicians perform more than \$6 billion worth of manicuring, pedicuring, and artificial nail services for millions of fashion-conscious clients. The business of nails has grown enormously over the past five years and will continue to grow. Thus, the need for educated and competent nail technicians is expanding in the same way. Milady's Standard: Nail Technology is the complete guide to basic nail technology that every professional nail technician needs. - Preface.
