discussion guide is intended for use after viewing the entire film.

It's designed to prompt and generate discussion around eight themes found in SURRENDER
ONLY TO ONE.

Incorporating relevant Scriptures and probing questions, the guide encourages group interaction and

Access Free Movie

individual reflection to promote understanding and spiritual growth.

While each theme is considered separately as a "stand alone" discussion topic and/or topic for personal reflection, collectively they represent eight parts of a whole that are based on the entire cinematic presentation, culminating in a call for action or

decision. The guide consists of eight group sessions that address a specific theme. Each session provides for group interaction and individual work. The eight sessions contain five subsections: (1) Session Overview; (2) Key Scriptures; (3) Group Discussion; (4) After-Action Review and, (5) Personal Reflection.
