(Book). The Gibson 335 Guitar Book tells the story of Gibson's ES-335 and related models, as played by B.B. King, Alvin Lee, and Eric Clapton, among other virtuosos. It's full of great guitars, cool players, and fascinating historical detail. The book traces the story from Gibson's first thinline models to the company's signature instruments and modern re-creations of today. The book is in the tradition of Tony Bacon's bestselling guitar series, with a carefully researched story, a gallery section of full-color pictures of the most important guitars and players, and a reference section detailing production years and specifications. The 335 was launched in 1958. It had a double-cutaway body, but the interesting features were hidden inside. A solid block in an otherwise hollow body created a new "semi-solid" structure, cleverly combining the sonic qualities of a hollowbody guitar and a solidbody. Variants included the stereo 345 and the upscale 355, and players have lined up ever since for a taste of these attractively different flavors. Some of those players featured in the book include Larry Carlton, Dave Grohl (Foo Fighters), Peter Hayes (Black Rebel Motorcycle Club), Justin Hayward (Moody Blues), Eric Clapton, Pepper Keenan (Down), B.B. King, Elvin Bishop (Butterfield Blues Band), Alvin Lee (Ten Years After), Alex Lifeson (Rush), Eddie Phillips (the Creation), Johnny Marr (the Smiths), Lee Ritenour, Andy Summers (the Police), Bill Nelson (Be-Bop Deluxe), and Andrew White (Kaiser Chiefs).

Go For Shakedown follows my experiences through Afghanistan. It is a fictionalized dialogue between characters based on true events. It aims to capture the human side of war from the absurd situations to the complexity of actual helicopter missions; all through the development of about a dozen characters and their interactions and reactions both on the ground and in the air. Shakedown is a call-sign for the helicopter. The helicopter is a civilian pattern helicopter that was converted into escort gunships by Canada in order to get the job done. A unique task since Canada is the only NATO country to NOT have helicopter gunships. Despite this limitation, the crews in Shakedown got the job done and were revered for their lethal capability yet always prevailing humanity. Whenever ground troops asked for support, they were affirmatively answered with, "Go for Shakedown."
