Elvis Cole finds himself deep in the bayou of Louisiana searching for the estranged parents of a television star -- but something deadly is looking for him. L.A. private eye Elvis Cole is hired by popular television star Jodie Taylor to delve into her past and identify the biological parents who gave her up for adoption thirty-six years before. Cole's assignment is to find out their biological history and report back. It seems all too clear cut. But when he gets to Louisiana and begins his search, he finds that there's something much darker going on. Other people are also looking for Taylor's parents, and some are ending up dead. And when Cole realizes that his employer knew more than she was telling, Voodoo River becomes a twisting tale of identity, secrets, and murder.

A year after a devastating epidemic swept the world, Emily and her six-year-old son, Song, are struggling south in search of more hospitable climates. A snowstorm traps them in an abandoned gas station, where starving and desperate, they encounter Aaron, an Army medic on a mission of his own, who offers them a ride to ease the journey.

This informative study explores the Soviet invasion of Finland, detailing the events of the Winter War of November 1939 to March 1940. The invasion was expected to be swift and decisive, however, the fighting qualities of the Finnish Army blunted the Soviet advance and inflicted high numbers of casualties. A combination of difficulties caused by the weather, the terrain, the Mannerheim Line defences and Finnish tactics resulted in a fascinating David vs Goliath type struggle. On 23 August 1939, a secret protocol was appended to the German-Soviet Non-Aggression Pact; as part of this, Finland was assigned to the Soviet sphere of influence. On 30 November that year, in an effort to protect against renewed German aggression in the East, the Soviet Union attacked Finland, beginning what became known as the Finnish-Soviet Winter War. This long-awaited addition to the Campaign series explores the events of the war of November 1939 to March 1940. Set against the background of the developing global conflict, the conflict saw the Finnish Army thwart the plans of the sizeable Soviet forces assembled against it, before finally being forced to concede. The major battles of the war, which took place in harsh winter conditions, are covered in detail, including the Mannerheim Line, the fighting in Ladoga Karelia and Kollaa, and the clashes in Finnish Lapland.

Permissions problems got you down? Turn to Unix expert Brian Tanaka's unique guide to the permissions in Mac OS X 10.5 Leopard that control access to your files, folders, and disks. You'll learn how to keep files private, when to set Ignore Permissions, what happens when you repair permissions, how to delete stuck files, and the best ways to solve permissions-related problems. Advanced concepts include

Where To Download Samsung Rs261mdbp Manual

the sticky bit, Leopard's more-important access control lists, bit masks, and symbolic versus absolute ways to set permissions. The book covers how to take control of permissions via the Finder, with Mac utilities, and using the command line.

Following Adam Gopnik's best-selling *Paris to the Moon*, the adventure continues against the panorama of another storied city. *Autumn, 2000*: the Gopnik family moves back to a New York that seems, at first, safer and shinier than ever. Here are the triumphs and travails of father, mother, son and daughter; and of the teachers, coaches, therapists, adversaries and friends who round out the extended urban family. From *Blueie*, a goldfish fated to meet a Hitchcockian end, to *Charlie Ravioli*, an imaginary playmate who, being a New Yorker, is too busy to play, Gopnik's New York is charmed by the civilization of childhood. It is a fabric of living, which, though rent by the events of 9/11, will reweave itself, reviving a world where Jewish jokes mingle with debates about the problem of consciousness, the price of real estate and the meaning of modern art. By turns elegant and exultant, written with a signature mix of mind and heart, *Through the Children's Gate* is at once a celebration of a newly fragile city and a poignant study of a family trying to find its way, and joy, within it.

Hot and Smoky Shrimp Tacos, Roasted Wild Mushroom Tacos with Queso Fresco, Fire-Roasted Corn and Poblano Chile Tacos-these are a few of the most taste-tempting tacos you'll ever put in your mouth. And what to top them with-of course, it must be the perfect salsa!

This new edition provides the reader with new chapters on emergency care and endoscopy. Appendices include a formulary, a table of differentials for presenting signs, and a protocol for handling venomous snakes and lizards.
