Following the disintegration of the Soviet Union in the early 1990s we have moved into a post-Soviet world. Looking back, Soviet Russia achieved distinction in three Shakespeare films: Othello, directed by Sergei Yutkevich in 1955, Grigori Kosintsev's Hamlet in 1964 and his 1971 King Lear. The stunning black and white Hamlet is the best-known, and extremely striking.

The Soviet Union inherited the nineteenth-century view of Hamlet as a key figure, however passive and vacillating, in the discussion of the current social and individual concerns. 13 However, as the Soviet cult of Shakespeare gained power, earlier suspicions of Hamlet's weakness and passivity gradually morphed into impassioned assertions of his strength, heroism, and flawless moral character. 14 Summing up decades of discussion, L. Grossman wrote in 1955: "The great dramaturge of the English ...
