Lucas Thorn wasn't born a cheater. All it took was a single moment--say, a certain disastrous incident on the night before his wedding--and boom. Reputation destroyed forever and always. So now he owns it. He has a lady friend for every night of the week (except Sundays--God's day and all), and his rules are simple: No commitments. No exceptions. But a certain smart-mouthed, strawberry blonde vixen is about to blow that all to hell. Avery Black has never forgiven Lucas for cheating on her sister. And suddenly being forced to work with him is pretty much a nightmare on steroids. Of course, it does afford her the opportunity to make his life as difficult as possible. To touch a Dark One is death. To talk to an immortal is suicide. Yet, I've been marked by both. A Vampire. And the King of the immortals. My life is no longer my own. And now I know the truth, my life was never mine to begin with. It was theirs. It's always been theirs.

For Tracey Rooks, life with her grandparents on a Wyoming farm has always been simple. But after her grandmother's death, Tracey is all her grandfather has. So when Eagle Elite University announces its annual scholarship lottery, Tracey jumps at the opportunity to secure their future and enters. She isn't expecting much-but then she wins. And life as she knows it will never be same . . . The students at Eagle Elite are unlike any she's ever met . . . and they refuse to make things easy for her. There's Nixon, gorgeous, irresistible, and leader of a group that everyone fears: The Elect. Their rules are simple. 1. Do not touch The Elect. 2. Do not look at The Elect. 3. Do not speak to The Elect. One girl. Two brothers. Who knew that the sleepy town of Seaside, Oregon would eventually be the location of both our downfall and our redemption? Drugs, sex, lies, shame... it all led us to the Coast. It led us to her. And ever since we met her. Our lives have never been the same. You may think you know what really happened - but you don't. After all, there's two sides to every story. This is ours.

From #1 New York Times bestselling author Rachel Van Dyken comes the next standalone rockstar romance in her Seaside Pictures series...I had his posters on my wall when I was sixteen and when I accidentally got pregnant in high school-his was the face I dreamt of when I closed my eyes at night.Now, over twenty years later, that dream's turned into a reality.Not only is Drew Amhurst in my tiny town of Seaside, live and in the flesh...But he's mentoring my rockstar son.Drew says he's mine for a week.And he made me three promises. "No strings attached." "No falling in love." "It's only seven days." He's confident that he can help me rediscover myself both in and out of the bedroom, and I'm confident that he's too arrogant for his own good.And at the end of seven days, he swears he'll walk out of my life the way he came into it. The only problem is, the more I get to know him, the more I want to surrender the last pieces of my heart and beg him to stay.

Indulge in this "laugh-out-loud" (Jill Shalvis) #1 New York Times bestseller about two childhood enemies who--decades later--discover that there is a fine line between love and hate. "I have a proposition for you." Kacey should have run the minute those words left Seattle millionaire Jake Titus's mouth. It's been years since Kacey's seen her childhood friend Jake, but the minute Jake mentions his ill grandmother, Kacey is ready to do anything for the sweet old woman. And if that means pretending they're engaged for her sake--so be it. But Kacey wasn't counting on Jake's older brother Travis still being there. She calls him "Satan" for a reason: she's never forgotten the way he teased and taunted her. Yet when they meet again, Travis's gorgeous smile is a direct hit to her heart . . . and Kacey's more confused than ever. As the days pass, only one thing starts to become alarmingly clear--she never should have accepted Jake's deal.
