Twentieth Century" -- comes this landmark new collection for the twenty-first century. *Sisterhood Is Forever* -- with over 60 original essays Morgan commissioned from well-known feminist leaders plus energetic Gen X and Y activists -- is a composite mural of the female experience in America: where we've been, where we are, where we're going. The stunning scope of topics ranges from reproductive, health, and environmental issues to workplace inequities and the economics of women's unpaid labor; from globalization to the politics of aging; from cyberspace, violence against women, and electoral politics to spirituality, the law, the media, and academia. The deliberately audacious mix of contributors spans different generations, races, ethnicities, and sexual preferences: CEOs, housewives, rock stars, farmers, scientists, prostituted women, politicians, women in prison, firefighters, disability activists, artists, flight attendants, an army general, an astronaut, an anchorwoman, even a pair of teens who edit a girls' magazine. Each article celebrates the writer's personal voice -- her humor, passion, anger, and the integrity of her perspective -- while offering the latest data on women's status, political analysis, new "how-to" tools for activism, and visionary yet practical strategies for the future -- strategies needed now more than ever. Robin Morgan's own contributions are everything her readers expect: prophetic, powerfully argued, unsentimentally lyrical. From her introduction: "The book you hold in your hands is a tool for the future -- a future also in your hands." □ Edna Acosta-Belén □ Carol J. Adams □ Margot Adler □ Natalie Angier □ Ellen Appel-Bronstein □ Mary Baird □ Brenda Berkman □ Christine E. Bose □ Kathy Boudin □ Ellen Bravo □ Vednita Carter □ Wendy Chavkin □ Kimberlé Crenshaw □ Gail Dines □ Paula DiPerna □ Helen Drusine □ Andrea Dworkin □ Eve Ensler □ Barbara Findlen □ Mary Foley □ Patricia Friend □ Theresa Funciello □ Carol Gilligan □ Sara K. Gould □ Ana Grossman *The Guerrilla Girls* □ Beverly Guy-Sheftall □ Kathleen Hanna □ Laura Hershey □ Anita Hill □ Florence Howe □ Donna M. Hughes □ Karla Jay □ Mae C. MacKinnon □ Jane Roland Martin □ Debra Michals □ Robin Morgan □ Jessica Neuwirth □ Judy Norsigian □ Eleanor Holmes Norton □ Grace Paley □ Emma Peters-Axtell □ Cynthia Rich □ Amy Richards □ Cecile Richards □ Carolyn Sachs □ Marianne Schnall □ Pat Schroeder □ Patricia Silverthorn □ Eleanor Smeal □ Roslyn D. Smith □ Gloria Steinem □ Mary Thom □ Jasmine Victoria □ Faye Wattleton □ Marie Wilson □ Helen Zia

A powerful and essential anthology that sheds light on the status of women throughout the world. Hailed by Alice Walker as "one of the most important human documents of the century," this collection of groundbreaking essays examines the global status of women's experiences, from oppression to persecution. Originally published in 1984, the compilation features pieces written by a diverse set of powerful women—journalists, politicians, grassroots activists, and scholars—from seventy countries. Author Robin Morgan, a champion of women's rights herself, expertly weaves these inspiring essays into one comprehensive feminist text. These compelling "herstories" contain thoroughly researched statistics on the status of women throughout the world. Each chapter focuses on a different country and includes data on education, government, marriage, motherhood, prostitution, rape, sexual harassment, and sexual preference. *Sisterhood Is Global* transcends political systems and geographical boundaries to unite women and their experiences in a way that remains unequalled, even decades after its first publication.

An amazing trajectory: From child star to prize-winning writer to feminist icon Robin Morgan is famous as a bestselling author of nonfiction, a prize-winning poet, and a founder and leader of contemporary feminism. Before all of that, though, she was a working child actor. From the age of two, "Saturday's child had to work for a living." She had her own radio show on New York's WOR, Little Robin Morgan, by the time she was four; starred during the Golden Age of television in TV's Mama from ages seven to fourteen; and was named the Ideal American Girl when she was twelve. In Saturday's Child, she writes for the first time about her working youth, her battles to break away from show business and from her mother, her search for her absent, abandoning father, her entrance into the literary world, and the development of her politics, relationships, and writing. Morgan describes her tumultuous but successful life with startling honesty: her flight from child stardom into literature, her twenty-year marriage to a bisexual man, her joyful motherhood, her lovers, both male and female, her actions as a "temporary terrorist" on the left during the 1970s, and her travels and experiences in the global women's movement. She writes about compiling and editing the famous anthologies Sisterhood Is Powerful and Sisterhood Is Global and later cofounding with Simone de Beauvoir the Sisterhood Is Global Institute. Saturday's Child follows this "Ideal American Girl" on her path to becoming the feminist icon she is today. Epic in scope, witty, and bravely insightful, this is the tale of half of humanity rising up and demanding its rights, told through the intensely personal story of one remarkable woman.

A study of the evolution of modern feminism examines the key issues, events, and controversies that have shaped the concept of feminism through two generations of women, explaining how a new generation of feminists is reinventing the movement, while combating long-standing inequities.

A sardonic portrayal of one white, middle-class Midwestern girl's coming-of-age, this novel takes a wry and prescient look at a range of experiences treated at the time as taboo or trivial.

The Women's Liberation Movement held a foundational belief in the written word's power to incite social change. In this new collection, Jaime Harker and Cecilia Konchar Farr curate essays that reveal how second-wave feminists embraced this potential with a vengeance. The authors in *This Book Is an Action* investigate the dynamic print culture that emerged as the feminist movement reawakened in the late 1960s. The works created by women shined a light on taboo topics and offered inspiring accounts of personal transformation. Yet, as the essayists reveal, the texts represented something far greater: a distinct and influential American literary renaissance. On the one hand, feminists took control of the process by building a network of publishers and distributors owned and operated by women. On the other, women writers threw off convention to venture into radical and experimental forms, poetry, and genre storytelling, and in so doing created works that raised the consciousness of a generation. Examining feminist print culture from its structures and systems to defining texts by Margaret Atwood and Alice Walker, *This Book Is an Action* suggests untapped possibilities for the critical and aesthetic analysis of the diverse range of literary production during feminism's second wave.
