Using case studies, case histories and thought-provoking questions, Strategic Marketing. An Introduction is a valuable resource for all those involved in this important area.

~~Strategic Marketing: An Introduction~~

Solution: Before you start executing on your content marketing strategy, create a “rules” document that both content team members and your legal and compliance teams agree to. Keep in mind that legal/compliance departments are paid to overreact to any potential liabilities that may result from content, so the way to put them at ease is to clearly define, in advance, what your content/social team will and will not do with the company's publicly available content.
