Two hundred dollars, no English, and no contacts. He ekes out a precarious existence delivering groceries, living in Central Park, and learning English by reading dictionaries in bookstores. Then Deo begins to meet the strangers who will change his life, pointing him eventually in the direction of Columbia University, medical school, and a life devoted to healing. Kidder breaks new ground in telling this unforgettable story as he travels with Deo back over a turbulent life and shows us what it means to be fully human. **NEW YORK TIMES BESTSELLER** • Named one of the Top 10 Nonfiction Books of the year by Time • Named one of the year's "10 Terrific Reads" by O: The Oprah Magazine "Extraordinarily stirring . . . a miracle of human courage." —The Washington Post "Absorbing . . . a story about survival, about perseverance and sometimes uncanny luck in the face of hell on earth. . . . In 1997, the biggest Labour victory in history swept England, ending eighteen years of Conservative government. Prime Minister Tony Blair — young, charismatic and complex — shaped the nation profoundly in the ten years that followed. From his work in Northern Ireland to the wars in Iraq and Afghanistan, few of his decisions were free from scrutiny and debate. Alternately beloved and reviled, he was an international figure to a degree matched by few British leaders — a role he continues in to this day through the Tony Blair Faith Foundation and his work in the Middle East. Now, for the first time, we see the fascinating journey and difficult choices of the prime minister through his own eyes. Grippingly candid and deeply intimate, A Journey is a

House and The Soul of a New Machine. Tracy Kidder spent nine months in Mrs. Zajac ' s fifth-grade classroom in a depressed area of Holyoke, Massachusetts. Living among the twenty schoolchildren and their indomitable teacher, he shared their joys, catastrophes, and small but essential triumphs. His resulting New York Times bestseller is a revelatory and remarkably poignant account of an inner-city school that “ erupts with passionate life, ” and a close-up examination of what is wrong—and right—with education in America (USA Today).

Inspiring "true story of daily life in a New England nursing home (The New York Times). Ninety-year-old Lou quit school after the eighth grade, worked for the rest of his life, and stayed with the same woman for nearly seventy years. Seventy-two-year-old Joe was chief probation officer in Pittsfield, Massachusetts, holds a law degree, and has faced the death of a son and the raising of a mentally challenged daughter. Now, the two men are roommates in a nursing home. Despite coming from very different backgrounds, the two become close friends. Focusing on these two men as well as introducing us to the other aging residents of Linda Manor in Northampton, Massachusetts, literary journalist Tracy Kidder examines the sorrows and joys of growing older and the universal struggle to find meaning in the face of mortality. Machine, this is an extraordinary look inside an often-hidden world.

“ As in his Pulitzer Prize-winning *The Soul of a New Machine*, *House*, and the best-selling *Among Schoolchildren*, Kidder reveals his extraordinary talent as a storyteller by taking the potentially unpalatable subject of life in a nursing home and making it into a highly readable, engrossing account. ” —Library Journal “ Rich detail and true-to-the-ear dialogue let the brave and determined elderly speak for themselves—and for the continually surprising potential of the human spirit. ” —Kirkus Reviews

In this splendid book, one of America's masters of nonfiction takes us home--into Hometown, U.S.A., the town of Northampton, Massachusetts, and into the extraordinary, and the ordinary, lives that people live there. As Tracy Kidder reveals how, beneath its amiable

surface, a small town is a place of startling complexity, he also explores what it takes to make a modern small city a success story. Weaving together compelling stories of individual lives, delving into a rich and varied past, moving among all the levels of Northampton's social hierarchy, Kidder reveals the sheer abundance of life contained within a town's narrow boundaries. Does the kind of small town that many Americans came from, and long for, still exist? Kidder says yes, although not quite in the form we may imagine. A book about civilization in microcosm, *Home Town* makes us marvel afresh at the wonder of individuality, creativity, and civic order--how a disparate group of individuals can find common cause and a code of values that transforms a place into a home. And this book makes you feel you live there.

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY KIRKUS REVIEWS Good Prose is an inspiring book about writing—about the creation of good prose—and the record of a warm and productive literary friendship. The story begins in 1973, in the offices of The Atlantic Monthly, in Boston, where a young freelance writer named Tracy Kidder came looking for an assignment. Richard Todd was the editor who encouraged him. From that article grew a lifelong association. Before long, Kidder ' s *The Soul of a New Machine*, the first book the two worked on together, had won the Pulitzer Prize. It

was a heady moment, but for Kidder and Todd it was only the beginning of an education in the art of nonfiction. *Good Prose* explores three major nonfiction forms: narratives, essays, and memoirs. Kidder and Todd draw candidly, sometimes comically, on their own experience—their mistakes as well as accomplishments—to demonstrate the pragmatic ways in which creative problems get solved. They also turn to the works of a wide range of writers, novelists as well as nonfiction writers, for models and instruction. They talk about narrative strategies (and about how to find a story, sometimes in surprising places), about the ethical challenges of nonfiction, and about the realities of making a living as a writer. They offer some tart and emphatic opinions on the current state of language. And they take a clear stand against playing loose with the facts. Their advice is always grounded in the practical world of writing and publishing. Good

The national bestseller From the author of the bestselling More Beautiful Than Before comes an inspiring book about loss based on his most popular sermon. As the senior rabbi of one of the largest synagogues in the world, Steve Leder has learned over and over again the many ways death teaches us how to live and love more deeply by showing us not only what is gone but also the beauty of what remains. This inspiring and comforting book takes us on a journey through the experience of loss that is fundamental to everyone. Yet even after having sat beside thousands of deathbeds, Steve Leder the rabbi was not fully prepared for the loss of his own father. It was only then that
