By Augusto Cury, your memory, your emotions, your life! While in medical school, Dr. Augusto Cury became fascinated with the impact a healthy mind can have on emotions and life. After many years of research and founding The Intelligence Institute, he concluded: Every person is a genius because everyone has the power to think. Harnessing "mind power" has been scientifically proven to enhance a person's physical, mental, and spiritual well-being. The human act of thinking is the greatest wonder of the universe. In *Think, and Make It Happen*, Dr. Cury unveils the multifocal intelligence

populace, especially the indifferent lot who are still in a daze over the haze prevalent in the atmosphere. Today, natural calamities have become a global crisis that warrants urgent remedies, hence, the need for clean energy revolution to combat the devastating climate bomb. Written with a down-to-earth approach, the author has seriously attempted to also awaken and enlighten dreamers to the imminent social hazards that considerably affect the harmony between the human races. Human life cannot be compromised. The despicable violent minority is
