carry out their own study. The book will be of use to beginning researchers who are new to linguistics in the areas of study abroad and second language acquisition.

Researching Second Language Acquisition in the Study ...

The vast majority of work on second language acquisition is carried out by scholars and educators working within approaches other than that of generative linguistics. In this volume, this gap is bridged as leading generative linguists apply their intellectual and disciplinary skills to issues in second language acquisition.

Second language definition and meaning | Collins English ...

A person's second language, or L2, is a language that is not the native language of the speaker, but is learned later. A speaker's dominant language, which is the language a speaker uses most or is most comfortable with, is not necessarily the speaker's first language. The second language can also be the dominant one. For example, the Canadian census defines first language for its purposes as "the first language learned in childhood and still spoken", recognizing that for some, the earliest lang
