This is a comprehensive collection
of American short stories starting
with Washington Irving and going
through to Ann Beatie. All of the
writers are very well known and I
make no attempt to rate the
stories. One could make the
argument that these are not the
best short stories from each
author, but as a group it is an

In The Oxford Book of American
Short Stories, Joyce Carol Oates
offers a sweeping survey of
American short fiction, in a
collection of nearly sixty tales that
combines classic works with many
"different, unexpected" gems, and
that invites readers to explore a
wealth of important pieces by
women and minority writers. Some
