"a great mentor to a new Toastmaster. It complements the Toastmaster Competent Communicator Manual and gives the user ideas and insights into how to address stops and barriers they may experience and move efficiently through their initial Toastmasters Communication training" - Lance Miller, World Champion of Public Speaking

The book is a compilation of my first 10 speeches in Toastmasters. These speeches are the 10 projects from the Competent Communicator manual that is given to every new member who joins Toastmasters. This book was written in order to record the work done by me.

Raising a Toast is a compilation of 20 speeches that I had the good fortune of delivering in my journey as a Toastmaster. Most of these speeches have sprung from my personal anecdotes—some funny, some thought-provoking. Few speeches will tell you stories of past and present, of people and places through my eyes. And then, there are a couple of speeches that raise some questions, for you and me to reflect upon. But one common link that binds them all, is the stage of Toastmasters where they found life. Each of these speeches gave me an opportunity—to pen down some burning message inside of me, to share my story to any audience which was willing to listen, to connect with those who took back something from what I had to say. Raising a Toast is a humble attempt to carry these anecdotes, these stories, these questions from the conventional stage to the paperback stage. Written with the sole agenda of reaching out to more souls out there who are willing to listen. And with the hope, that when they read this, they get inspired to share their set of stories with the world.

The gift of mentoring is one of the benefits offered through a Toastmasters International club educational program. If a club has a mentoring program established, this book will stimulate new thinking for consideration. Is a club struggling to meet the expectation of a mentoring program? Mentoring: Value-Based Empowerment offers insights for developing a transformational mentor experience. An essential element of any successful club level mentoring program is to demonstrate the Toastmasters International values of respect, integrity, service, and excellence.

The Revolutionary Sales Approach Scientifically Proven to Dramatically Improve Your Sales and Business Success Blending cutting-edge research in social psychology, neuroscience, and behavioral economics, The Science of Selling shows you how to align the way you sell with how our brains naturally form buying decisions, dramatically increasing your ability to earn more sales. Unlike other sales books, which primarily rely on anecdotal evidence and unproven advice, Hoffeld's evidence-based approach connects the dots between science and situations salespeople and business leaders face every day to help you consistently succeed, including proven ways to: - Engage buyers' emotions to increase their receptiveness to you and your ideas - Ask questions that line up with how the brain discloses information - Lock in the incremental commitments that lead to a sale - Create positive influence and reduce the sway of competitors - Discover the underlying causes of objections and neutralize them - Guide buyers through the necessary mental steps to make purchasing decisions Packed with advice and anecdotes, The Science of Selling is an essential resource for anyone looking to succeed in today's cutthroat selling environment, advance their business goals, or boost their ability to influence others. **Named one of The 20 Most Highly-Rated Sales Books of All Time by HubSpot

Presentation Patterns is the first book on presentations that categorizes and organizes the building blocks (or patterns) that you'll need to communicate effectively using presentation tools like Keynote and PowerPoint. Patterns are like the lower-level steps found inside recipes; they are the techniques you must master to be considered a master chef or master presenter. You can use the patterns in this book to construct your own recipes for different contexts, such as business meetings, technical demonstrations, scientific expositions, and keynotes, just to name a few. Although there are no such things as antirecipes, this book shows you lots of antipatterns—things you should avoid doing in presentations. Modern presentation tools often encourage ineffective presentation techniques, but this book shows you how to avoid them. Each pattern is introduced with a memorable name, a definition, and a brief explanation of motivation. Readers learn where the pattern applies, the consequences of applying it, and how to apply it. The authors also identify critical antipatterns: clichés, fallacies, and design mistakes that cause presentations to disappoint. These problems are easy to avoid—once you know how. Presentation Patterns will help you Plan what you'll say, who you'll say it to, how long you'll talk, and where you'll present Perfectly calibrate your presentation to your audience Use the storyteller's “narrative arc” to full advantage Strengthen your credibility—and avoid mistakes that hurt it Hone your message before you ever touch presentation software Incorporate

A compilation of the first ten speeches Rukhman delivered at the public speaking club called Toastmasters.

When it was first published in 1995, Mel Silberman's 101 Ways to Make Training Active became an instant bestseller. Now this revised and updated second edition offers the same dynamic approach and several completely new case examples. The examples support each exercise and highlight real-time uses of the highly successful Active Training method. In addition, the book includes 200 training tips that form the nuts-and-bolts of successful active training. These tips incorporated in the book's top ten lists show how to build quality, activity, variety, and direction into your training programs. For the first time 101 Ways to Make Training Active features a CD-ROM containing all the original "Top Ten Trainers Tips and Techniques" lists for easy reproduction and distribution.

For many Toastmasters Clubs, one of the biggest challenges in running a successful and productive club is maintaining a constant flow of visitors to attend and join you and your fellow Toastmasters as a member. Members come and members go. Life happens! Your Club membership can quickly change from a healthy charter-strength club to one in danger of losing its Charter. Veteran Toastmaster of over two decades, Rae Stonehouse DTM (Distinguished Toastmaster), PDG (Past District Governor, District 21) has witnessed the cycle several times with his own club Kelowna Flying Solo Toastmasters. Toastmasters are social! Toastmasters are known to be quite social, after-all we are striving to hone our communication skills. Then along comes social media and on-line tools that can increase not only our reach but our productivity. Social media is here to stay! Social media is here to stay, at least until the next "big thing" comes along. Keeping up with what's new, what's hot and what's not could easily turn into a full-time job. And indeed it has for many people as they have created a new career as Social Media Managers. The Power of Promotion! On-line Marketing For Toastmasters Club Growth by Rae Stonehouse flattens the learning curve for anyone who wants to maximize their time spent on-line, without turning it into a full-time job. Rae believes that Toastmasters clubs should be run like businesses and social media platforms provide promotional and marketing opportunities that can help spread the word about one of the world's best kept secrets... Toastmasters. In this easy-to-read, how-to manual, Rae shares his experience with using social media to draw attention to his Toastmasters club and to convert visitors to social media properties to actually visit his club and to join. Sometimes it has worked ... sometimes not!
