Provides exercises designed to stimulate vocabulary growth, offers specially designed sections to build skills required for standarized tests, and introduces three hundred new words.

The ideal book for people who want to increase their word power. Thorough coverage of 1,200 words and 240 roots while introducing 2,300 words. The Vocabulary Builder is organized by Greek and Latin roots for effective study with nearly 250 new words and roots. Includes quizzes after each root discussion to test progress. A great study aid for students preparing to take standardized tests.

A woman determined to save her tavern after the loss of her father and a sexy shifter outlaw who thinks he's undeserving of a woman's love makes for one smoking hot, action-packed paranormal romance story. Autumn North would never marry a man for money or mate a shifter she despises. Although, she doesn't have a lot of options and she's been backed into a corner one too many times. To save herself and protect her family, she just might have to give up what she can't bear to let go of. Garrett Justice will do anything to protect Autumn-even from the dangerous shifter who has already laid claim to her. But if he can't contain the mating urges of his inner beast when he's with her, how can he keep her safe indefinitely? Garrett and Autumn don't exactly meet on peachy terms, but once they discover just how much they need each other, nothing will tear them apart-not even an arranged mating for which she's become obligated to fulfill.

The new kid in school needs a new name! Or does she? Being the new kid in school is hard enough, but what about when nobody can pronounce your name? Having just moved from Korea, Unhei is anxious that American kids will like her. So instead of introducing herself on the first day of school, she tells the class that she will choose a name by the following week. Her new classmates are fascinated by this no-name girl and decide to help out by filling a glass jar with names for her to pick from. But while Unhei practices being a Suzy, Laura, or Amanda, one of her classmates comes to her neighborhood and discovers her real name and its special meaning. On the day of her name choosing, the name jar has mysteriously disappeared. Encouraged by her new friends, Unhei chooses her own Korean name and helps everyone pronounce it—Yoon-Hey.

IES SAT test prep books are designed to follow a compact format yet offer the student test taker a wealth of advice and practice material. This discipline-specific New SAT book features five full Reading and Writing practice tests, along with answer explanations that show students how to deal with the nuances and intricacies of the New SAT. Starting in 2016, students all across America will take a dramatically redesigned version of the SAT. While the test will still address the essentials of grammar and reading comprehension, the format will be completely transformednew pacing, new question types, and new required skillsets. To excel, you will need consistent practice with supremely accurate material. Yet books that offer such material are in short supply, as most test prep companies scramble to adapt to a rapidly evolving SAT market. Created by the world-class editors and educators of Integrated Educational Services, this collection of five Verbal Tests for the New SAT fulfills the needs of students as no other volume can. Test takers who are ready to move above and beyond the already-released College Board testsor even those who are just starting outwill find much to learn in this efficient volume. Discover Reading and Grammar sections that match the official SAT in design and difficulty. Then, use self-assessments, scaled scores, and the most insightful answer explanations on the market to gauge your performance. This book extends the history of success that we at IES have built over the past fifteen years have guided thousands of students to high 2300s and perfect 2400 scores. Now, we are more than ready for a new era in SAT publishing and education. Dont be daunted by the redesigned test. Use this book to gain precision and confidenceand to become one of the very first students to take c
