Bookmark File PDF War Of The Flea Clic Study

The book aims to provide the reader with a state-of-the-art introduction to classic and modern military theory. The text accounts for the most important theories within the field by developing and analyzing these theories, as well as problematizing both their

Bookmark File PDF War Of The Flea Clic Study

normative and explanatory aims.

While focusing on military theory, the book does not only reflect a single way of relating to knowledge of war and warfare, but furthers learning by introducing contrasting perspectives as well as constantly criticizing the theories.

Bookmark File PDF War Of The Flea Clic Study

There is a clear need for an introductory text for the entire field of military theory that focuses whole-heartedly on the theories – not on their context or how they are expressed in practice during war. This book covers such questions as how we
