fierce warriors, but did you know that they were powerful magicians as well? Norse Magic has everything you need to learn in order to begin practicing Norse spirituality. Discover the history and religion of the Vikings, including Norse mythology, seasonal festivals, and magical techniques. If you are interested in practicing Norse Wicca, you'll learn about the three-fold goddess and the god, as well as how to celebrate the holidays, all from the perspective of Norse Paganism. Discover the secrets of herb magic, cauldron magic, cord magic, elf magic, dwarf magic, and more. These magical techniques are presented in a clear, step-by-step format. The practice of Norse magic enlists the help of the Asa-Gods, Light Elves and good Dwarves. It elicits aid from dead ancestors and the rulers of the Elements. It is an active magic, reserved for participants, not bystanders. In order to work the magic of this

system you must attune yourself to the powers of the Elements, calling upon the Asa-Gods and other supernatural beings. Norse Magic includes complete instructions, exercises, and rituals for this technique. The Norse Pagans were one of the last European societies to convert to Christianity, but their Pagan mythology and magic survived and continues to thrive. Norse Magic is your key to the study and practice of this powerful and ancient spiritual system.

Many people, not all of Irish descent, have a great interest in the ancient Celts & the Celtic pantheon, & Celtic Magic is the map they need for exploring this ancient & fascinating magical culture.

The object of any altar is for it to symbolize what you want to attract in your life. This book gives a brief history of altars and how,

unknowingly, people are constantly building altars around them.

Danger, intrigue and adventure seem to follow dauntless Corri Fartblood wherever she goes. Although brought up a thief, she possesses the ability to travel the astral plane, called dream flyin. A passenger on board becomes comatose and requires medical attention after overdosing on sedatives.

Another little magical book from D. J. Conway-only this one really swings.

Reconnect with the natural world using the magick of the five elements of earth, air, water, fire, and spirit—written by one of the grand dames of witchcraft and magick. For more than a thousand

years, alchemists and magicians have worked with the four elements of the universe. While most spiritual seekers have a basic knowledge of these four elements, and the more nebulous fifth element, spirit, few realize that the energies of the elements are a key to their magical practice. Elemental Magick offers readers insight into the inner teachings of the elements. Author D. J. Conway explains in depth the forces behind the elements and how they provide a framework for literally everything in the universe. She also explains the all-important and powerful element of spirit that belongs to each of the other elements and how these intimate connections allow the magickal energy to flow in a continuous circle of existence. By learning how to work with and balance the elements and their spirits, readers will better understand the larger process of balancing one's life with the world around them.

Cunningham's classic introduction to Wicca is about how to live life magically, spiritually, and wholly attuned with nature. It is a book of sense and common sense, not only about magick, but about religion and one of the most critical issues of today: how to achieve the much needed and wholesome relationship with our Earth.

Cunningham presents Wicca as it is today: a gentle, Earth-oriented religion dedicated to the Goddess and God. Wicca also includes Scott Cunningham's own Book of Shadows and updated appendices of periodicals and occult suppliers.

Take your dragon magick to the highest level. From Apprentice to Enchanter, Shaman to Warrior, and finally culminating as Mystic, the five levels of initiation to high dragon magick are decoded in
