Standards Plus has staunchly advocated that schools should
provide equal opportunities to ensure that all students learn
their current grade-level standards. Students who have fallen
behind should receive appropriate intervention while still
learning pertinent grade-level material. However, most
adaptive learning...

This workbook is a great resource for teachers. I use this workbook when I need a shorter assignment than is offered in the textbook or when I want to review for a test. Each page has a section that reminds students of the basic lesson and gives an example or two. I have also used this book in tutoring situations and in summer school.
